Dynaric, Inc.

DX100

Designed to increase the productivity for small/medium size packagers

Features and Benefits

- **Economical** Arch Strapping Machine
- Compact, lightweight assembly, for easy mobility throughout your facility
- Compact, low maintenance sealer head
- Stainless steel tensioning roller
- Cycle time capable of 30 straps per minute
- Faster warm-up time reduces production delays
- Internal strap dispenser minimizes required floor space
- Easily accessible strap feed unit for trouble free strap feeding
- External adjustment of strap tension by the simple turn of a dial
- Strap cycle can be initiated by a start switch, table switch or foot switch
- Accepts 3/8" to 5/8" strap
- Runs on 110V single phase

Personalize Your Packages

Personalize your plastic strapping. Dynaric's high quality printed plastic strapping can be custom printed with your company logo, name, information or message. Printed strapping is an economical way to identify special products, display company logo and information or even for product security and more.
